

CK 1 No: 2004/115347/23
**Maintenance – New Installations – Rewiring- Repairs
Services**

VISION:

To provide services of high standards and quality to the best
of our ability at all times.

MISSION:

To render services without any hindrance at all times,
Effectively and efficiently.

ESTABLISHMENT & HISTORY:

Registered with the Electrical Contractors Board in 2003 (CT 3158). Also Registered on the Western
Cape Suppliers Data Base (No. MBEL 001 TRW).

Registered with Department of Labour(WC 00199).

Before 2003 the Owner and Manager worked as an electrician
rendering services in mostly townships and previously
disadvantaged areas in and around Cape Town and still continues
to do so. In 2003 he acquired his wireman's license with
the Department of Labour therefore was being able to register
with the Electrical Contractors Board and all other relevant Institutes.
the business now employs 11 permanent staff member, 4 contract
staff members and 4 casual staff members, who are all from
various townships and are skilled and semi-skilled.

SERVICES PROVIDED:

- Maintenance of Electrical machinery and equipment
 - New installations.
 - D.B Relocations and rewiring.
 - House wiring.
 - Plugs, Geyser, Stoves.
 - Compliance Certificates.
 - And other electrical relevant services.
- Services provided : Aerial bundle conductor maintenance

: Low voltage and Medium Voltage Systems Application
